Glossary of data elements (See OSEP Data Dictionary for Additional Definitions)

*Complaint pending* – A written, signed complaint that is either still under investigation or the lead agency’s report is not complete.

*Complaint pending a due process hearing* – A written, signed complaint in which one or more of the allegations in the complaint are the subject of a due process hearing that has not been resolved.

*Complaint with report issued* – A written decision was provided by the lead agency to the complainant and local provider regarding alleged violations of a requirement of Part C of IDEA 2004.

*Complaint withdrawn or dismissed* – A written, signed complaint that was withdrawn by the complainant for any reason or that was dismissed by the lead agency because none of the allegations in the complaint addressed violations of a requirement of Part C of IDEA 2004 (e.g., all the allegations had to do with personnel issues). In these cases, the complaints do not trigger the otherwise required investigative procedures the State must follow and do not result in a report.

*Decision within extended timeline* – The written decision from a hearing (fully adjudicated) was provided to the parties in the hearing more than 30 days after the receipt of a request for a hearing, but within a specific time extension granted by the hearing or reviewing officer. *Hearing request* – A filing by any party to initiate a due process hearing on matters relating to the identification, evaluation, or early intervention setting of a child with a disability, or to the provision of early intervention services to such child. *Report within extended timeline* – The written decision from the lead agency was provided to the complainant and the local provider more than 60 days after the written, signed complaint was filed, but within an appropriately extended timeline. An appropriately extended timeline is an extension beyond 60 days that was granted due to exceptional circumstances that existed with respect to a particular complaint.
